Welcome to the 2018 Sultan's Run Junior Golf program. Our Junior Golf School is designed to introduce the game of golf and all dynamics that are associated with the game. The rules of golf, social interaction between kids and etiquette are the forefront of each lesson. Not only is learning the fundamentals of the game a fun and exciting experience for each child, but they will walk away with a love for the game.

PGA Professional Jeff Howerton has 25 years of teaching knowledge. He takes tremendous pride in his teachings and it shows through the numerous students that have gone on to play high school, college and professional golf!

Sultan's Run is looking forward to having your child participate this summer!

**One on One Lessons:** Jeff also offers private one on one lessons that are 45-60 minute sessions as well as a 90 minute on-course playing lesson for players who want additional or personal instruction. Please inquire with Jeff. Call 812-482-1009 for more info.
