

Roland C. Becker Club Championship

A tradition like no other..... The Club Championship tournament was inspired by former Mt. Prospect Park District Commissioner, Roland C. Becker. Becker served on the park board for eight years and was instrumental in the District's purchase of the Mt. Prospect Golf Club. Started in August 1974, the historic championship has endured for 44 years making it the longest running annual golf event in the history of Mount Prospect. The championship offers a competitive field for all levels of golfers ages 4 to 90+. Past champions have gone on to compete in both state and national championships and many have been the recipient of college golf scholarships. The week-long event culminates with a Sunday awards night and dinner.
