

Season Pass and Cart Lease Monthly Payment Program

The Brandon Golf Course is now offering a payment plan for your Season Pass, Cart Lease, and Range Pass. This option enables you to have monthly payments automatically deducted from your checking or savings account. The Direct Payment Plan is dependable, convenient, and easy.

Here is how it works. Using the form below, you authorize regularly scheduled payments to be made from your checking or savings account. Your payments will be made automatically on the 15th of each month and proof of payment should appear on your bank statement. You decide when you want your first payment to start and the total amount due is divided into equal monthly payments with the last payment in full to be made on December 16th of 2018. For example, if you want your first payment to start on March 15th of 2018, you would have 10 equal monthly payments (March 16th–Dec. 16th). Failure to make timely payments will result in suspension of current and future golf privileges. Early Discount/Brandon Resident Discount cannot be applied to the payment plan option.
