Maximum league handicap will be 16, both leagues will adjust to a maximum score on any hole of 8 after the cards are handed in and recorded for handicap, so yes you can record scores higher than 8 for your match.

Scoring will be as follows if you are a 10 handicap and you are playing against a 4 handicap you will get 6 strokes of handicap over the 9 holes of play.

Players over the age of 65 can move up to the green tee's for the year.

If a player shows up late he will be allowed to play holes he missed up to 2 holes, if more than 2 holes the player shall forfeit any holes already played and the 6 points for the match. The person he plays will not be allowed to replay those holes, so play the first 2 holes as if you were playing a match.

New league golfers can use half of their USGA handicap or 80% of the difference between par and their score.

Points: 2 points per hole available: 2 points-win, 1 point each-tie

6 points for total available: 6 points-win, 3 points each-tie

Forfeits: 12 points automatic, plus match points up to 9 if you beat the course hole by hole with handicap, 1/2 point if you tie the course. You will receive an additional 3 points for winning the match against the course, 1 1/2 for tie.

Quits: The points that were won by the player that quits will count as his points for the match. The player that is still playing will play the course under the forfeit rules as per above and only those points will count toward his match.

Player who receives forfeit must complete round. If both players quit, no points are awarded to either player.

Rainouts will be called before 3:00 p.m. If rainouts happen during play, matches completed will count; uncompleted matches will split remaining points.

Playing rules will be "paradise" (move the ball 1 card length, no nearer the hole.) No moving the ball when located within a hazard.

The season consists of 19 regular play weeks, and 3 playoff weeks.

Playoffs: We will take the top 8 place teams to play for 1<sup>st</sup> thru 8<sup>th</sup> position.

We will take 9-16 place teams to play for 9<sup>th</sup> thru 16<sup>th</sup> position.

The remaining 4 teams will play a 3 week round robin to determine 17<sup>th</sup> thru 20<sup>th</sup> position.

We will be paying off 1<sup>st</sup> thru 20<sup>th</sup> place.
