

ATTENTION - YOU ARE INVITED TO JOIN!

Tunxis Country Club Golf Association

The TCC Golf Association is currently seeking a limited number of new members for openings for the 2018 Golf Season

The Course and Amenities:

Tunxis Country Club (TCC) is an upscale 45-hole public golf course with natural and artificial driving range, practice sand traps and generous putting and chipping greens. TCC also features a full-service restaurant with indoor and outdoor banquet facilities. A **Season Pass** and discounted **Green Fees Cards** are available for frequent players. Details are posted in the Pro Shop. **Association members will receive discounts for Pro Shop merchandise!**

The Association:

The TCC Golf Association is run by member volunteers and has a varied membership of approximately 100 dedicated golfers that play on Sunday mornings, on occasional Saturdays, and on selected holidays during the Season. The Golf Association offers unequalled value and is as near as one can get to membership in a private course without the expense. Golfers of all ability levels are welcomed and encouraged to join.

Tournament Play:

A block of tee-times is reserved for the members beginning at 7:30. On a typical Sunday we have about 60 members playing. The last tee time is around 9:30. We run tournaments from April through late November. Our weekly tournaments include a wide variety of events with winners in gross and net categories. We have individual, two-man and four-man events throughout our extensive tournament schedule. There are no requirements regarding the number of tournaments a member must play. While many team events are randomly assigned there are several opportunities to choose your partner(s). Tee-times are made for the players who have signed up at least one week in advance. Members don't have to call to set up their own tee-time or foursome. Tournament rules include provisions for senior tees for those who qualify.

Full Membership:

There are many benefits. Pro Shop credits are awarded for the winners for gross and net scores for all tournaments. "Hole-in-one" insurance is included in the fee. Up to three places are awarded for gross and net winners for each tournament. A number of members earn enough pro shop credit each year to equal or exceed their yearly dues. Also, included in the yearly dues are a "Tee-Off Luncheon" (\$45 value) in Early April and a "Wind-Up Party" (\$125 value) in October. The "Wind-Up" event includes breakfast, golf, cart, range balls, dinner, a raffle, and a door prize for everyone. A USGA handicap (\$50 value) is also included. As a member you pay greens and optional cart fees the day of play. In the spirit of fellowship, you will meet new friends who share your interest in golf. Our member's abilities range from scratch to high-handicappers. Yearly dues for tournament participation and membership are \$290 with no initiation fee.

How to Join:

If you are interested in joining and would like to learn more please Call Angelo Fiducia, the Golf Professional at 860.677.1367 or Rich Maiolo, Treasurer at 860.485-8589. Applications for membership in the Association are available at the TCC Pro Shop.

Not interested in joining at this time, but would like a GHIN Handicap... become an Associate Member

Associate Membership

Open to anyone. This is an excellent way to chart your progress. Become eligible to play in tournaments when a GHIN handicap is required. Post your scores in the club house or online. Associate membership is \$50. Applications are available in the Pro Shop.

**Regards,
Board of Directors**
