

San Mateo Womens Golf Club is an 18-hole group which plays every Tuesday morning at Poplar Creek Golf Course in San Mateo. The club was established in 1958. We currently have 60 members (Regulars and Associates).

Throughout the year we play different games, and hold various tournaments, including the Club Championship and the Invitational. We have players with handicaps of all levels, from 12 to 40. We welcome you to join us and play golf with a fun group of ladies. We end each year with a Holiday party where we hand out awards.

If you are interested in joining our club, please contact Ruth Ann Jones at (650) 245- 1963 or ruthannejones@gmail.com and come play with us some Tuesday.

An application is below.
