BANQUET: AUGUST 2ND

TEE TIMES: STARTING AT 4:00PM UNTIL 6:00PM

LEAGUE CONTACT: DIANE STRILER – PARTEEGIRLGOLF@AOL.COM

The Par Tee Girls is a group of fun women of varying skill level and age. We enjoy meeting new women and playing golf on a regular basis.

Every woman plays with a partner. We can pair you up if need be. We play from the red tees and will have a game each week. Each woman will keep track of the number of putts she makes, and will pay 10 cents to the kitty. Half the putt money will go to the winner that evening and half will go in the prize fund for the banquet. We do not keep track of weekly scores but you can set up a handicap with the golf course if you would like.

Each member will pay a \$40 league fee. This is used for our league gift and all the prizes purchased for the banquet. Green fees are \$406 for the season (\$29 x 14 weeks) unless you have a membership at Falcon Valley. We also have a competitive section in our league that one can play in. We will have a Par Tee Girl Punch Card for the 14 rounds. This will help out with times that you have to miss. If you miss a week, you will be able to make up your missed time on another day and not lose your punch.

We encourage new women to come out and play with us. To get ready for the season, I have set up a series of reasonably priced golf lessons for us. These are available to any of the women in our league. Please let me know if you are interested.

Although we are a casual league, we do play ready golf, and encourage everyone to keep up with pace of play. We also ask you to abide by the golf course rules of driving in the fairways, not the roughs, and at all times keep the cart on the cart path on the par 3's.

If you are interested in the league, please contact Diane Striler at the email provided above.
