What an exciting time it is to be a part of this amazing Lake Valley Golf and Country Club!

Our Social Committee put on a spectacular Christmas Cheer party on December 2nd. There was great fun had by all. My wife and I would like to say a special thank you to everyone as we were overwhelmed with kindness and joy to us, and our son, Carter.

On December 14th, we had a meet and greet, along with a membership options chat. We welcomed and thanked our full-time golf staff for their phenomenal work in 2018. Many of you have taken advantage of the reduced full cart fee and the Tiered cart packages that we discussed during this meeting. If you have not made your selection to change anything for 2019, we will roll into the new year with your 2018 options.

We had a great Employee Appreciation/Christmas Party on December 20th. Thank you to the Board and all members that put this together, hosted it and operated it for us.

We will start receiving our new golf cars (pictured above) beginning the first full week of January! Also, we have a few new golf events coming to Lake Valley this summer. These events should not only bring in more guests and revenue, but hopefully spread the word about how exceptional our staff, members and facility are.

Our entire staff thanks each of you for a superb 2018. We are so excited to get this new year rolling. With our new staff brings new ideas and lots of improvements to come. We look forward to serving you and your guests.

From the Board

by Bob Mietz, President

Due to the Holiday season, there was no board meeting in December. We hope that everyone has had a fantastic and safe Holiday. We look forward to seeing you upon your return from your travels.

The Greenside restaurant will be closed for the month of January. This closure will give our kitchen staff time to get things tidy up with

some detailed cleaning. It will also give ample time for training to ensure we are offering great guest service, food safety practices and quality food offerings. We will also be receiving some new kitchen equipment during this time.

The next scheduled board meeting is for Wednesday, January 16th, 2019.

Hello

by Rob Wilson, Head Golf Professional

I would like to start by saying how grateful I am to be given the opportunity to work at Lake Valley Golf and Country Club. All of you have been so welcoming over the past few weeks. I promise to remember all your names in time. For those of you that I have not met yet, please feel free to stop in anytime and say hello.

I'd like to remind everyone that we still have a variety of 2018 inventory on sale in the Pro Shop. Please come (and bring your friends) and check it out so we have room for all the new and exciting products this coming season.

We will be participating in the PGA Junior League this upcoming year. We would like to have a minimum of 16 juniors participating in the program. The league will be open to all children 13 years old and younger. If anyone (member or non-member) is interested in their child(ren) participating in the program, feel free to stop by the Golf Shop and I'll be happy to give you more information or assist with signing up. You can also go to the PGA Junior League website, pgajrleague.com for more information.
