We had a dramatic exit from the Intermediate Cup, at Lisburn on 9th June.

Marge Campbell's team couldn't have been closer to victory, but in the end the Mahee girls just failed at the final hurdle.

Winning 31/2- 11/2 at Mahee, we knew it would always be a close encounter. Highlight of the evening was undoubtedly the hole-in-one from Carol Hill at the 18th to secure a half match which made it equal in matches and holes! Frona Clarke played the tie breaker but lost out at the second hole.

Well done all the girls, you put up a great fight!

In the last edition, we acknowledged the great work done by the greenkeeper, Wilson, this time we look at the beautiful blooms and baskets around the course. Coming into their best at the moment, they give the course the finishing touches we all appreciate. Marie Carroll is the hard-working woman behind all these displays, and who knows, we may even see water lilies in the lake to the right of the third fairway! (it will make going out of bounds seem more attractive!)

Marie Carroll, gardener first class!

Foxy Lady!

At a recent practice at Lisburn, Pauline Maguire had a secret admirer. (or was he just interested in the biscuit she

was eating? You meet all sorts when you play golf!!
