

Tee Sign Advertising Program

Your company can advertise on our Tee Signs. Your sign will be beautifully designed and attached to one of our 18 tee signs along the course. We will maintain your sign and keep it looking all year. It's a beautiful way to advertise for very little.
(Limited spaces available.)

Large Niche Market: Golf Courses average 20,000 - 40,000+ rounds of golf per year.

Cost Effective: With our current economy, some companies have decided to advertise less. But, maybe it makes more sense to ADVERTISE MORE COST EFFECTIVELY using niche marketing to the golfer demographic? How much are you spending on other advertising avenues per year? (Yellow pages, newspapers, radio, television, internet, flyer's and mailings, etc.)

Name Recognition / Branding: Name recognition and branding is understood in Corporate America. The largest companies spend millions and millions every year so you recognize their company name and brand. This is an opportunity for you to get name recognition and branding for your company right in your back yard!

Middle to High Income:

"Golfers earn approximately three times the median income of the average US citizen, plus they fall within the top one percentile of disposable / discretionary income spenders, making them one of the most sought after groups."

Business Owners and Decision Makers for their Companies:

Golf has always been a means of interaction and advancement into the corporate world. 75% of the golfing community are executives or top level decision makers. 43% own their own business or are partners.
