Wedgwood Country Club's "E-Z Pay" Membership Plan Agreement

By completing and signing this membership application and depositing the sum of Seven Hundred and Fifty dollars (\$750.00) (the baseline credit amount) with Wedgwood Country Club (WCC), I understand and agree that I have established an initial line of credit with WCC to be used as outlined below. I further understand and agree that this credit amount is not a fixed line of credit, but a floating credit amount that I have at my disposal and that my membership credit balance will fluctuate up or down based on my usage and charges against it and my ability to replenish it as needed.

My Credit amount may be used in the following manor throughout the course of the year:

- I may charge greens fees (Member fees as well as guest fees) against my credit and receive a \$5.00 discount off regular rack rates for each round played.
- I may charge cart fees (Member fees as well as guest fees) against my credit and receive a 10% discount off regular rack rates cart rates.
- I may charge pro shop food and beverage and other merchandise (not including “hard goods”) against my credit at a 10% discounted rate.
- I may pay for club handicap serves fees with my credit.

Membership Limitations and suspension policies are as follows:

- I may not use my Credit to charge any Food or Beverage items at Divot’s Lounge or against any on-course food or beverage purchases made at the club.
- I may not use my Credit for any “hard goods” sold in the pro shop or for any non-club related fees that I may incur other than those listed above.
- Once I have exhausted my membership credit, any new or current unpaid charges with a remaining balance that might exist must be paid by cash or credit/debit card at time of transaction.
- I will have the option of adding additional dollars (in no less than \$250.00 increments) to my membership account at any time during the life of my membership or when my account credit has been exhausted.
- If I choose not to add additional dollars to my account when exhausted, I understand that my membership shall be suspended until such time as I have added additional dollars to my account. During the suspension period, I may still play at the club, but I will no longer receive discounts related to greens fees, food and beverage or merchandise.
- Once I have re-established credit with the club, my privileges shall be reinstated.

Membership Credit Balance and future year’s membership:

- If I end the year with a credit balance on my account, my credit will be carried forward and added to my upcoming year’s credit line.
- In order for me to receive all the benefits associated with membership and to be considered a “member in good standing” for the following year, I will need to re-establish my baseline credit amount for that new year by the first of the year. Once my baseline credit has been re-established, my previous year’s credit shall be applied and I will receive all the benefits of membership as outlined above.
- If I choose not to renew my membership for the following year, I will be able to use the remaining credit on my account, but all amounts charged against the credit shall be at current rack rates. No discounts of any kind will be afforded me.
- I understand and agree that any remaining balance on my account may not be redeemed for cash or other monetary instrument.

I have read and fully understand the information before me and hereby apply for the Wedgwood Country Club’s “E-Z Pay” Greens Fee Privilege Plan for the 2019 season.
