

2018 High School Summer Competitive League

The Summer High School league is designed for kids entering their freshmen year of high school through incoming seniors to experience golf in a competitive atmosphere.

The summer league will be run by Byron High School Boy's Coach and PrairieView PGA Head Golf Professional Andy Gramer. The league will kick off with a one week camp where junior golfers will get a better understanding of their strengths and weaknesses and learn the necessary skills to take their games to the next level. Junior participants must have previous experience on the golf course and have the ability to play golf with minimal supervision.

Format: Juniors will be paired up with other juniors to compete in a weekly 9 hole stroke play match. Boys will play from the white tees and girls from the gold tees. The High School Summer League is geared towards preparing each participant for the upcoming high school golf season.

Cost: \$80 (\$30 for junior season passholders). Free golf for the registered participants after 5 pm throughout the summer (June – August).

Dates: Camp - May 29th, 30th, 31st & June 1st
Tuesdays - June 5th, 12th, 19th, 26th, July 10th, 17th, 24th & 31st

Time: Camp will be from 1:00pm – 3:00pm. Tuesday play will be from 12:00pm - 3:00pm. Juniors are required to arrive by 11:45 am to get playing assignments. Play will begin approximately 12:00pm each Tuesday and be finished by 3:00pm.

High School Summer League Registration
