

Monday Night League Format and Rules

League Play will consist of 2 Person Teams and the format will be match play each week.

A total of 10 points are up for grabs in each match each week. 1 Point per hole won and an additional point for winning the match. If a hole is tied, the point is split 1/2 point each. For Example: Team 1 wins 5 holes and Team 2 wins 4 holes, the final score would be 6-4 and these points are all tallied and a running count will be kept for the season to determine the overall league standings.

Teams are responsible for getting their own subs or rescheduling matches whenever a team cannot play. Please inform the Pro Shop when you reschedule a match. Teams may play a match 1 vs. 2 if a sub cannot be acquired.

Forfeits will be enforced when arrangements are not made to reschedule, 6 points will be awarded to the team that wins due to forfeit, and 0 points will be awarded to the losing team.

Pace of play is very important for this league; we expect a 2 hour and 15 minute pace.

Please feel free to email or call Nick at nick@traditiongolfct.com or 203-397-5103 with any questions.
