CLERKS FOR A CURE

Pasco County, Florida

Greetings from Clerks for a Cure–

As a business leader in our community, you, no doubt, understand the urgent need for solutions to problems your clients and neighbors face on a daily basis. We at Clerks for a Cure, a team of Deputy Clerks working for the Office of Paula S. O'Neil, Pasco County Clerk & Comptroller, share your concerns.

Since its inception in 2010, Clerks for a Cure has focused on fighting cancer, raising nearly \$100,000 for the American Cancer Society. While we continue that battle, in 2017, we are expanding our efforts to include three nonprofits that perform mighty work on behalf of the citizens of Pasco County. Allow us to introduce them.

- **PACE Center for Girls** serves local girls – target population ages 11 to 17 – in the areas of academic improvement, social services, and transition support. <http://www.pacecenter.org/locations/pasco>
- Each week, **The Thomas Promise Foundation** packs more than 1,000 backpacks with safe, non-perishable, and nutritious food to get Pasco students through the weekend when school meals are not available. <http://www.thethomaspromise.org/>
- **Pasco County Animal Services'** goal is to ensure the health and safety of the people and pets in our community by encouraging responsible pet ownership through education and legislation, and by providing incentives to sterilize pets. <http://www.pascocountyfl.net/PAS>

Clerks for a Cure organizes assorted fundraising events, including, raffles, off-site bingo, a golf tournament, and more. This is where you come in: Your contributions are critical to our success. We are writing to ask you to donate one or more item(s) suitable for including in an auction or raffle, and/or a financial contribution.

To be part of this exciting expansion of benefits to the community, please send donations to:

Questions? Do not hesitate to contact us. Your contribution will boost our efforts on behalf of people – and animals – negotiating tough times, making Pasco County a better place to live, work, and play.

With great appreciation,

Leonard Mattison
