Announcing our 8th Annual League Appreciation Dinner

Silverado wants to thank all league players by having dinner with you. We know that you are an integral part of our course and this is our small way of thanking you. This will also give us a chance to meet you in a more relaxed setting and also allow you to socialize with each other. Finally, it will afford us the opportunity to inform you of our program for 2018-2019 and allow you to address any concerns or suggestions for the upcoming year.
