

Gibson Bay Men's League

LEAGUE RULES AND INFORMATION

Men's League will play 9 holes every Thursday from April thru September.

Weekly starting times will be either a 5:30 shotgun start or starting times from 4:00 – 6:00, depending on the format and schedule.

League will have pre scheduled 18 hole weekend events during the golf season.

The cost to join the league is \$35.00.

A portion of the weekly entry fee will go towards closest to pins contest winners on both par 3 holes. The closest to pin winners typically pay \$15.00 each in pro shop credit.

All Men's League winnings are paid out in golf shop credit.

The weekly entry fee is \$5.00 per player each week.

Any male amateur golfer 18 years or older is eligible for the Men's League.

Tee Markers: 18 – 54 years old play from White Tee Markers
 55 – 69 years old play from Green Tee Markers
 70 and older play from Gold Tee Markers

**** Any Player may choose to play from the Blue Tee markers however the tee markers you start the season on you must finish the season on.**

HANDICAPPING

Handicaps will be figured based on the player's average score during league stroke play events.

Returning players will use the handicap from the previous season as three scores in establishing their handicap.

The maximum score per hole is triple bogey. Once a player reaches double bogey, he will pick up and record a triple bogey.

During match play, scores will not count towards handicap. If a player is shooting consistently lower scores during match play than their assigned handicap, there handicap will be adjusted.

Players will receive 80% of their established handicap for the match play portion of the league.

MATCH PLAY

The format will be two person better ball match play. Each player plays the each hole and the team uses the player's score who has the lowest net score.

Competitors will form their own teams

The field will of teams will be broken into two divisions based on the combined handicap of each team.

Each player will receive their strokes as they fall on the scorecard.

Points will be rewarded per hole as follows:

Win = 1 Point

Tie = ½ Point

Loss = 0 Points

There will be 9 points available in each 9 hole match.

Putts may be conceded, once a putt is conceded the concession cannot be withdrawn.

Match play is a season long competition and teams will accumulate points throughout the season.

Teams are not required to have both team members present to participate. In the event of one team member failing to play, the remaining player will play against a two person team and his team will get credit for any points earned. The two person team, will have their scorecard blind drawn against another two person team to determine their points for that match.

If two teams that are scheduled to play a match both have only one player, the match will be played as scheduled.

If there is an odd number of teams, one team will have to play against a blind draw opponent.
