Guidelines for 2019 Membership

Mission Mountain Golf Club would like to welcome you to the 2019 golf season. When you purchase your membership you are purchasing a great privilege with unlimited golf. By signing, you agree as an annual member of Mission Mountain Golf Club to uphold the following guidelines and understand the benefits of membership.

Benefits of Membership:

Unlimited golf – Membership gives you the opportunity to play any number of holes with very few restrictions. A member can utilize the golf course anytime the course is open for play. On occasion, the course will be closed for part of the day for tournament play. These days' tee times may restrict what time you can play.

Discounts on Tournament Fees – for many of our events, MMGC provides you with an opportunity to save on your entry. Look for the discount price on entry forms throughout the year.
