

Johnson County Summer League

Johnson County Summer League

This League is designed for the Middle School and High School Golfer who wants to develop their game and gain valuable playing experience during the summer.

Player Expectations

Players are expected to walk 9 Holes (or 6 Holes for middle schoolers) and manage their own equipment. Parents are more than welcome to spectate, but are expected to stay on or near the cart path like they would during a usual school match.

Dates and Times

This is a 6 week league that will begin on Wednesday, June 5th and run through Wednesday, July 10th. There is no play on the week of July 4th. Tee times will begin at 5:30.

Weekly Registration and Cost

Play will be limited to the first 24-28 players that register each week. I ask that players register or cancel at least 48 hours in advance (by Monday) so pairings can be made and tee times assigned.

There will be a weekly League Fee for all players of \$10-\$15 (currently pending grant approval to finalize cost).

Pace of Play Guidelines

The IHSAA and Indiana Golf Association have recently partnered together to improve pace of play expectations for junior golf across the board. The Legends will be supporting this initiative and setting clear expectations for League Play. These include having a pre-shot routine that is no more than 45 seconds, max double par score on each hole and helping players learn the proper rules so that they are confident to make rules decisions on their own.

To Register for Jo Co Summer League in advance you can go to www.crystalmorsegolf.com and click on the Instruction and Play tab. You will see a button for Johnson County League - click on that and be sure to select only the date or dates that your child will be able to play.

All payment will be accepted on the day of play at The Legends Golf Shop.
