CLUB CHAMPIONSHIP

AUGUST 12 AND 13

BLUE TEES

This month is the tournament we've all been waiting for. Who will be the best of the best, the Club Champion?

This event is a two-day, tee-time event played from the blue tees. You can request a general tee time for day one, and Ryan will do his best to accommodate you. The tee times for day two depend on your day one score.

Don't let the name of the tournament fool you, there are several flights, and winners both gross and net for all flights. The lowest gross score overall, regardless of flight, is the Club Champion for the year. Sure, it's usually from the first flight, but who knows, you might put together two great rounds and win the whole thing.

Sign up soon, this tournament usually has a lot of participants. Call or drop in to the Pro Shop and get on the players list.

Good luck to everyone!

Senior gets his first Ace

After being on vacation for a month, one of the first pieces of news that I heard was the **Dale Trout** got the first hole-in-one on Number 6 from the white tees. He did this at the tender age of 86. Congratulations to him. I'll add that not too long ago Dale shot his age

I plan to highlight Aces and Eagles and Shooting Your Age in The Driver. I'll even put in gross rounds in the 60's, so if you accomplish one of these let the folks in the Pro Shop know, and send me an email at madronadriver@yahoo.com.

I didn't get all of the specifics for Dale, but it would be nice to know the hole, the tee box, and the club used. Your handicap and age are optional.

It is also worth noting that if you write to the manufacturer of the ball that you used, you may get a freebie or two, often at least a sleeve of golf balls.
