Lots in Store for October

Even though we'll be getting into Fall and heading to Winter, we have plenty of opportunities to golf this month.

Field Day - This is the most important Field Day of the year because we will be electing Board Members for the club. There are at least three positions that must be voted on, and we are looking for some new blood on the Board. If you are interested in running for the Board, contact one of the Board Members, or leave your name at the desk in the Pro Shop. Members serve three year terms.

Of course we will also have the normal competition and dinner, as well. Sign up at the desk and let them know if you will be attending the dinner.

Tyson Open - This is a four-man scramble from the Blue tees, and as the name says, it's Open. Anyone from any club can play, as long as they have a recognized handicap.

Tombstone— Perhaps one of the most enjoyable tournaments we have. It is an individual competition from the white tees. You continue around the course until you have used up your handicap strokes. At that point you plant your "Tombstone." Prizes go to the longest lasting in each division. Get more information from a Board Member, or from Ryan or Shane at the desk in the Pro Shop.

MATCH PLAY IS RETURNING TO MADRONA

You've probably all watched various match play tournaments like The President's Cup and the Ryder Cup, that are features on the professional circuit, but have you ever played in one yourself? Our tournament committee is in the process of setting up a match play tournament for the summer of 2018. It is head-to head single competition where you count holes won, not total score. Since it is handicapped, everyone has a chance to win. We'll have more details as things become finalized.

IT'S ALMOST TIME TO RENEW

Don't forget that it will soon be time to renew your Madrona membership. Renewal by December 31 will save you \$5.00, so don't put it off until next year. 2018 Membership applications will be available soon, both at the desk and online at the Madrona Links website.

CALL FOR NEW BOARD MEMBERS

In case you missed it on the front page, we are looking for folk interested in working on the Board of the Men's Club. There are a few positions that will be voted on at the October Field Day dinner. If you are interested in becoming a Board member, please tell one of the current Board members, or leave you name at the desk in the Pro Shop. Members serve 3-year terms. Board meetings are once a month on the third Wednesday, generally at 5:00 PM. The Board does things like setting the tournament schedule, the dates and times of the social events (like Field Days) and the budget for the Men's Club. Here's your chance to help shape the future of the Club.
