- In the event of an outside tournament or group here at The Refuge, all efforts will be made to keep the leagues here. If not, The Ponds golf course will be your host.
- No Gimmies, unless match play.

DROP ZONES -

The Drop zones were designed on this course to be used in case a golfer does not "clear" the marsh areas. They are to be used during all league play. If you hit the ball into the marsh, take the penalty and hit from the drop zone.

If you suspect your ball to be hit Out of Bounds, then per the USGA rules, you will need to take the stroke and distance, meaning re-teeing the ball. I HIGHLY encourage playing a provisional ball before you leave the tee if you think your ball may come to rest out of bounds (over a road, or beyond white staked areas).

This will speed up pace of play, so you don't go out and find it out of bounds, and then have to go back to the tee and hit again. Any suggestions will be taken into consideration!!!!
