

WGC Simulator Open House Events!

WGC Members and Guests,

Hopefully by now you have heard about our new indoor Trackman Golf Simulator. You are cordially invited to our Simulator Open House! We have scheduled four different times to invite you in and show you the new simulator and everything it can do. Feel free to attend any one of the four times - they will all be the same. Drinks will be provided! You will want to attend and check it out for yourself.

During the open house we will show you:

- how to play golf on the new simulator
- the different golf courses available - including a few of the Par 3 courses
- the different settings available to make the game more enjoyable
- the different settings available to make the game play a little quicker
- how to rent and book the simulator
- how to practice on the simulator and use the statistics to improve
- how we will be able to club fit even better than before
- how the simulator will allow us to give indoor golf lessons
- the rates and fees for the new simulator
- the policies and procedures for the new simulator (for safety and enjoyment for everyone)

Dates and Times!

Sunday, March 24th	4:00 PM
Wednesday, March 27th	6:00 PM
Sunday, March 31st	4:00 PM
Wednesday, April 3rd	6:00 PM
