Chesapeake Golf Club

Pool Party Packages

Chesapeake Golf Club will be providing Pool Party Packages for those interested in hosting pool parties. Chesapeake Golf Club and Traditions will be partnering in the effort to help you host your party! Pool Party Packages are perfect for team parties, family reunions, and other get-togethers! There will be previously scheduled pool events hosted by the Club so please make sure that you are checking those dates prior to your reservation. All pool and course rules apply to the party. Parties are allowed to take place after the hours of closing but a lifeguard will always be on duty during a party.

There are package options for different ranges of number of people and food that can be offered. All packages include a private area on the pool deck according to the party size. The host of the party will have the option to have food provided at the pool or not. The host will also choose from the Grill menu of which foods will be provided. The food served will be buffet style.

Guests will not be allowed to bring any form of outside food or drink into the Pool. This includes home cooked meals or other catering services that are not Traditions. All food and drink must be bought from the Grill. This is in effect due to the ABC laws. Individuals who violate this rule will be asked to leave immediately.

For questions and reservations, please call Charles Lynn.
