**Dear Wahkonsa  
Country Club  
Members,**

After a lot of soul searching and discussions with my wife Traci, I have decided that is time for me to move on from Wahkonsa after 14 great years. I have accept a new position and will be leaving at the end of November. We are staying in the area and hope to still be a part of the club.

We have made many great friends and this will always be a special place for us. I have been giving a great opportunity and would not be leaving for just any job. Please know that Traci and I will always have nothing but great memories of Wahkonsa.
