CART SHEDS AT WAHKONSA

It has recently come to the attention of management and the board that some members are not paying cart shed rental at Wahkonsa. If your cart is stored at Wahkonsa, there is an annual fee that is NOT included in your dues. Additional fees apply if you have an electric cart to cover the cost of the electricity. If your 2017 invoice did not include a separate line item for cart shed, you did not pay for a cart shed for this year. We have recently sent out some invoices when we became aware of this. It would be appreciated if those invoices could be paid upon receipt. If you are unsure if you paid for a cart shed at Wahkonsa for 2017, please check in the clubhouse (they have copies of all invoices that were sent and paid for this year) or email the Wahkonsa bookkeeper jenn@wahkonsa.net. In addition, if you own your own cart and do not store it at the club, but take it to golf, you are required to pay an annual trail fee. Should you have any questions, please contact Sue at the clubhouse or any board member. Thank you!
