WHY Golf Camp?

AT BLUE MASH

Teacher to Student Ratio- Learning in a group is super fun, but honing in on individual strengths and weaknesses is important for improving golf skills. Our camp staff provides quality one on one time with each camper. The max student to teacher ratio is 6:1 at Blue Mash.

Daily On Course Practice –What good is it to attend golf camp if you can't get out there and experience the real thing as often as possible? Learning to play wooded holes and open fairways, avoiding water, mastering tricky sand shots, seeing how to read a green- it's all valuable, it's all interesting, and it's all available at Blue Mash Golf Camp!

The Areas Best Practice Facility- Blue Mash has the area's most immaculate and incredible practice facility featuring an all grass driving range tee. Your campers will receive instruction at our 10,000 square foot putting green, short game green with practice bunkers, as well as our newly finished Bermuda grass driving range.

Lunch Included- Don't worry about packing food for your campers. Full and half day campers will enjoy lunch from the Blue Mash Grill. Fountain drinks will be included for them and snacks can be purchased separately.

Points & Prizes –Throughout the week, each camper has the opportunity to earn points for winning contests, knowing trivia, showing improvement as well as keeping a positive attitude. Points earned can be used to win prizes at the end of camp.
