## Monthly Golf Tournament

**Attention Timberlake Senior Golfers** ... Each month we are invited to participate in the Central States Seniors Golf Association tournaments, which are played at different courses throughout the midlands. This is an excellent opportunity to meet other players in our area, experience different golf courses, and compete for prizes. A monthly sign-up sheet is posted in the Timberlake Clubhouse.

There is a flat fee of \$5 per year per person participating. The entry fee for each tournament is \$23 per person participating. This entry fee includes: a round of golf, cart fee, and coffee and donuts. Prizes are also awarded from the entry fee.
