

Why join Timberlake Country Club?

Unlike other area clubs, Timberlake Country Club offers more than just a membership—it is an investment. Most Club memberships carry responsibilities for maintaining the course and facilities with zero return on your investment. Your membership buys you an obligation to support someone else's business. At TCC you are an owner; improvements made add value to your investment-- not some absentee owner. At Timberlake Country Club -- you know the "owner"!

What if I move?

Equity memberships may be transferred with the sale of your property.

What impact does Timberlake Golf Course have on area home values?

It is estimated that Timberlake Country Club positively impacts area home values by as much as 30%. It is not an accident realtors/homeowners advertise properties as being on the golf course and stress Club amenities – Pool, Tennis Courts, Fitness Center, Lounge/Restaurant, and a myriad of member events.

Do you have to be a resident of one of the Timberlake neighborhoods to be a member of Timberlake Country Club?

No, we have members from all areas of the Midlands and as far away as New York City.
