

Rolling Hills Country Club

May 2014 Newsletter - Page One

A Note from Steve:

It is time to get out and play some golf. The weather is getting nicer with each passing day and while these cooler days are not welcome now, we will miss them in the next three months. We have had a nice mix of dry weather to allow us to keep the carts on the course and some rains at night to green up everything from the greens to the trees. The course is really looking nice and I hope everyone has the chance to come out and enjoy the club.

On June 7th we will host our Couples Scramble. This is a new date for this event. This event was usually in the first two weeks of May. We had continual problems with conflicts of high school and college graduations. We hope this new date will be a better option and look forward to a great event.

The Lake West Chamber event that was scheduled for June 8th has been cancelled.

Representative David Wood will be hosting a fundraiser event that will raise funds for Rally For a Cure in three area counties. This event will be on Friday, June 20th. Registration and Lunch will be at 11:00 and play will start with a noon shotgun.

Don't forget to use Senior Days on Thursday as an opportunity to bring out guests. It is a great chance to treat them to golf and lunch for only \$25.00.

On June 21st we are having The Derby. This is a horserace style elimination event. This is a very popular event that was started 3-years ago and has grown each year. It is a two-person event and teams are assigned a handicap by the professional. It is a unique format, take the time to check out the entry form on the website. Find a partner and join this fun event.

I hope everyone is happy and healthy, see you at the club.

Thank you,
Steve

Upcoming Events:

- June 7 Couples Scramble
- June 19 Senior Scramble – 9:00 shotgun, 8:30 registration.
- June 20 Rep. David Wood Fundraiser Event

- July 4 Independence Day Scramble

SAVE THE DATE!!
2014 Rally for the Cure Event
Thursday, June 26th

Golf Course News

The course is looking great and Brett has been very busy keeping up with the mowing with the spring rains. Everyone really needs to come out and enjoy the course it is playing fantastic.

TEES

Some players may have notices that some of our tees are a little thin and are slow to come out of their winter dormancy. This is mainly the Green or Senior Tees. These tees, when they were built, were never meant to have this many players. During the winter they were a little beat down and the cool spring has not helped. During the next month we will be moving some of these tees back to allow them to heal. This is not a permanent change, this is simply a process to get them back in shape.

WEEDS

This spring we paid to have most of the playable portion of the course sprayed for weeds. But due to weather or a chemical issue some areas did not get protected from the weeds. We worked it out with the company that sprayed and they came back and re-sprayed much of the course and a few additional areas. So, while it may have not worked as we expected, the final result is great.

ROPES and SIGNS

Thanks to several member's handiwork and donations we have more signs to direct cart traffic. I have been impressed with how well they have worked. Please follow the signs and keep carts on the path around greens and tees. We are also trying to keep carts on the path on the par 3's. These are all steps to continue to improve your golf course. Please do your part to keep carts in the correct area and remind your playing partners to do the same.

ENJOY!

Members Only 50/50 Drawing

Tickets: \$2.00 each or 3 for \$5.00
Drawing at Wednesday Night Dinner
Tickets can be purchased in the proshop.
Proceeds go to the clubs general fund.

Every Wednesday

Shotgun Start at 4:30

Cocktails at 6:30

Dinner at 7:00

All are welcome - \$10 per person

PARTICIPATION BONUS

Play in the Couples Scramble
and The Derby

Proshop Notes:

Due to economic woes and the poor winter golf in the south some of the golf companies have already started having drastic reductions in the prices of their equipment.

Please watch the sale board behind the counter in the proshop to keep up on the lower prices. This is a great opportunity to get some new equipment at very reasonable prices
