Golf Shop

M-Sun 7:00am-7:00pm

Driving Range

7:00am-7:00pm
Closed Wednesday until 1030am

POOL NEWS- The pool season started off well. The addition of SwimAtlanta is working well. The outside bar is taking many orders as well as the roving servers.

For your convenience, our pool bar can take food orders. If you feel the need to place an order quicker than our staff can get to you, please, go to the bar, place order, and the staff will deliver it to you poolside as quick as possible. In addition, please sign your F&B order ticket before you leave.

Please remember to sign in when you arrive. This has several functions, one of which allows us to tally the amount of use and another if someone calls for a member that is on property, we can scan the list for verification.

The pool is an extension of the Clubhouse. The same Health Department rules and regulations are in effect in the pool area as in the Clubhouse. Therefore, bringing any food or beverage into the pool area not prepared by Royal Lakes is prohibited. Please abide by this policy.

We will be randomly changing the frozen drink selections. We started with Margaritas; next will be Pina Coladas.

If you have any other suggestions, feel free to email Chip, chip@royallakesgolfcc.com.

GOLF- Finally, all parts of maintaining a golf course are working together. It's a positive "PERFECT STORM". Unsolicited compliments about the conditions of greens, tee boxes, and fairways are increasing. It's greening up, now it needs to start growing in better. With your help, let's continue to improve. Sanding your and other players' divots, repairing ball marks, and driving carts at 90 degrees when carts are allowed on the fairways, will noticeable keep and improve the course conditions. Our weekend starters are telling every guest to repair any damage to the course that they make while playing. All members are setting an example while playing. What others see; they do.

TEE TIMES- Please call the Golf Shop to make tee times. We are extremely busy with member and outside play. FYI- Our members have a 7 day advance tee time reservation opportunity. Outside players have a 4 day window. We release all held member tee times at 48 hours.

TENNIS- There has been a tremendous amount of tennis activity in the recent weeks. It's good to see so many people here. Tennis court surface issues (cracks) will be addressed. I've been in touch with the renovation company about the issues. In addition, we are in the process of repairing the lighted area on the basketball courts for those who want nighttime court activities. Please help us to inform other members that the tennis courts are only for tennis.

FOOD & BEVERAGE- We are moving forward with member suggestions. Menu, service, and more special events are part of our changes. Our changes will be designed to service all of our membership more effectively and efficiently. Our menus will evolve. Our guests will see a few regular items, but will notice more change in seasonal items. Although the quality of our food is at a high level, we are hand selecting our seafood for our Friday Specials and Saturday dinners from shops that get the items the day before to increase the quality even more.

We do not precook anything at Royal Lakes and realize serving in a timely fashion is desired. Large group seatings effect the serving time for all. We will do our best to accommodate.

JUNE 2015

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday
