

Golf & Banquet Center

## Frequently ask Questions:

### When can I decorate?

*CAG&BC is a very busy facility. Most Saturdays we host morning golf events. The decorating schedule should be well thought out. We have trained and educated our staff to set up and decorate an elegant dining room. We ask that you work with our staff to decorate the head table and one guest table. Our staff will do the rest. Once your guest arrive the room will look fabulous!*

### Are we allowed to take home excess food?

*For liability reasons, leftover food cannot be taken out of the banquet room or off the premises. The only exception to this policy will be the wedding cake.*

### Will there be golfers the day of my event?

*We may have a golf event the same day as your event. We do our best to keep all events separate. Please pay close attention to the schedule of your special day.
