ARTICLE 3. Membership

3.1 Definitions. The defined terms used in these Bylaws shall have the meanings set forth in Exhibit A.

3.2 Membership Categories.

3.2.1 Equity Golf Membership. An Equity Golf Membership ("Equity Golf Membership") entitles the Member and the Member's Immediate Family to full use of all Club Facilities. Equity Golf Members are subject to dues, assessments and other fees and charges as determined by the Board from time to time (subject to these Bylaws), but will not be required to pay greens fees for use of the golf course or court fees for use of the tennis facilities by the Member and/or his or her Immediate Family. The total number of Equity Golf Memberships is currently capped at four hundred (400) which may be revised, as determined by the Board, subject to the terms of these Bylaws (the "Equity Golf Membership Cap").

3.3 Non-Equity Memberships. The outstanding non-equity memberships listed below that were issued pursuant to the Prior Plans in the Club (collectively, the "Non-Equity Memberships" and individually, a "Non-Equity Membership") will continue to be honored by the Club to those Members who elect to not convert to an Equity Golf Membership in the Club (the "Non-Equity Members"). The Non-Equity Memberships are subject to the terms, conditions, restrictions, rights and privileges set forth in their respective Membership Agreement, as amended by these Bylaws, and as may be subsequently amended by the Club (the "Non-Equity Membership Agreements"). Non-Equity Members are not entitled to vote, hold office or participate in any share of liquidation proceeds of the Club, if any. Non-Equity Memberships are non-transferable, except as may be specifically provided in the Non-Equity Membership Agreement with the Club.

3.3.1 Fitness Membership. A Fitness Membership ("Fitness Membership") entitles the Member and the Member's Immediate Family to unlimited use of the fitness, dining and social facilities of the Club, but not the golf facilities, except for certain rounds a year established by the Board. Fitness Members are subject to dues and other fees and charges as determined by the Board from time to time (subject to these Bylaws). Fitness Members will not be required to pay fees for use of the fitness facilities. The total number of Fitness Memberships that may be issued in the Club will be determined by the Board, subject to the terms of these Bylaws (the "Fitness Membership Cap").

3.3.2 Social Membership. A Social Membership ("Social Membership") entitles the Member and the Member's Immediate Family to unlimited use of the dining and social facilities of the

Club, but not the fitness or golf facilities. Social Members are subject to dues and other fees and charges as determined by the Board from time to time (subject to these Bylaws).

3.4 Other Memberships. The Board is authorized from time to time to amend these Bylaws to (i) establish other categories and classifications of Memberships and (ii) supplement the privileges of any category of members, in the sole discretion of the Board, in order to facilitate the changing needs and desires of the Club's Membership. For example, the Board may create honorary memberships, junior memberships, senior memberships or similar other specialized offerings, in the Board's sole discretion, and the details of such programming changes shall be announced to the Club's Membership from time to time. In no event, however, shall the modified or new Membership category have golf privileges equal to or greater than Equity Golf Memberships. Furthermore, in the event additional recreational facilities are added to the Club, the Board may amend these Bylaws to provide for an appropriate category and the number of additional Memberships.

3.5 Policies. In addition to the Rules and Regulations, and other terms and conditions recited herein and in the Member's Membership Agreement, the following policies shall apply to the Members:

3.5.1 Application for Membership. Applicants must be financially qualified persons of good character, who are at least twenty-one (21) years of age. Each applicant must complete an application for membership and, if accepted, a membership agreement in the forms established by the Board (the "Membership Application and Agreement"). The Membership Application and Agreement must be submitted to the Club for consideration and review. The Club may issue a Membership to any person that the Club, in its sole discretion, determines appropriate from time to time. The purchase of property within the Nutcracker Community is not a guarantee that a Membership in the Club will be available or that an application for Membership will be approved. The Club may require the applicant to pay the applicable Membership Contribution to the Club for the Membership selected either upon application or upon approval pursuant to the procedures established by the Club, as amended from time to time in the Board's sole discretion.

3.5.1.1 Screening of Applicants. The Board will evaluate all applicants who submit a completed Membership Application and Agreement. Evaluations will be conducted with the intent and purpose of securing the optimum number of Members with compatible social, vocational and professional attainment from all segments of the community. All evaluations shall be made without regard to race, color, national origin, sex, sexual orientation, religious preference, creed or any disabilities of the applicant. The screening process may include sponsorship by current Members, interviews and other evaluation criteria pursuant to the procedures established by the Club.

3.5.1.2 Membership Approval and Notification. If a decision is made to accept an application by the Club, through the Board, after review and approval by the Board, the Club shall use best efforts to notify the applicant within ten (10) days of the approval date. Upon notification, the applicant shall be responsible for payment of the Membership Contribution and all dues, fees and charges and shall then be entitled to the rights and privileges of the applicable membership category. If a Membership is not activated, including payment of all required amounts, within thirty (30) days of the approval date, the approval shall be rescinded. If the Member does not pay the Membership Contribution when due, whether upon approval or pursuant to an installment plan, the Member will not be entitled to any use privileges. In addition, the Membership of such person can be terminated, without refund of any portion of the Membership Contribution previously paid. In the event a Membership is terminated due to non-payment of the Membership Contribution, the Membership will revert to the Club, and the Club may issue the Membership to any applicant approved by the Club, in its sole discretion.

3.5.1.3 Declination of Application. The Club, through the Board, may approve or reject any applicant in its sole and absolute discretion, and the decision of the Club on any application shall be final. If an applicant has been considered for Membership and the applicant's application is denied, the Membership Office shall use best efforts to notify the applicant of such decision within ten (10) days of its denial. The applicant may not be further considered for Membership in the Club for a period ending one (1) year following the date of the Club's notice to the applicant of the declination. The Club is under no obligation to give any reason for denying an applicant. In the event the applicant paid the applicable Membership Contribution to the Club for the Membership selected, such Membership Contribution shall be refunded, without interest, upon notice to the applicant of the declination.

3.5.1.4 Wait List. The Board may establish a separate wait list for new applicants in each category of Membership at the time that the Club contains the full complement of Members in each such category. The Board may charge a non-refundable deposit for applicants to be placed on the wait list. Each wait list shall be maintained on a first-come (determined by date of application), first-issued basis, provided that Memberships shall be issued from the wait list first to Fitness Members who desire to upgrade their Memberships. Except for Fitness Members on a wait list to upgrade their Membership, persons shall have no obligation to pay dues until a Membership is available. The Club may revise the wait list priority as determined by the Board in its sole discretion.

3.5.2 Title of Membership. Memberships in the Club are generally issued in the name of an individual

3.5.3 Upgrades. At the discretion of the Board and provided an Equity Golf Membership is available, a Fitness Member may become an Equity Golf Member, by requesting such status and by paying, as a Membership Contribution for the Equity Golf Membership, an amount equal to the difference between (i) the total of the Membership Contribution paid for the Fitness Membership and (ii) the Membership Contribution for an Equity Golf Membership in effect at the time the Member upgrades.

3.5.4 Downgrades. Equity Members may have the option to downgrade to a lower category of membership with lesser Club privileges for which they are eligible if a lesser category of Equity Membership is then available and not reserved and subject to such additional conditions as may be set forth in the Club Documents. The Club reserves the right to establish and modify terms and conditions for downgrade and to limit the timing, frequency and number of downgrades by Equity Members. Non-Equity Members shall not be permitted to downgrade, except for extraordinary conditions due to illness or other reasons determined in the sole and absolute discretion of the Board.

3.5.5 Restrictions on Use of Memberships as Collateral. A Membership may not be used as collateral unless approved by the Club for a loan solely utilized to acquire the Membership. Any such loan is subject to the Club's prior right to be paid all amounts due and owing to the Club, and a lender that acquires a Membership in connection with its foreclosure of its lien on the Membership, must pay all amounts due and owing to the Club, including past balances as well as all further dues, fees and charges incurred from and after the lender's acquisition of the Membership.

3.5.6 Leave of Absence. Leaves of absence concerning a Membership are not permitted.

3.6 Rules and Regulations. In order to provide for the orderly administration of the Club and the utmost enjoyment of the Club Facilities by the Members, the Board reserves the right to modify the privileges of Membership in the Club, including but not limited to, establishing rules governing access, sign-up privileges and starting times with respect to the golf course and any other Club Facilities. The

Board has the authority and shall adopt, establish and publish on a periodic basis, rules and regulations concerning the operation of the Club and the usage of the Club Facilities by the Members, their Immediate Family and their guests (the “Rules and Regulations”).

3.7 Immediate Family. A Members’ legal Spouse or Significant Other and unmarried children under the age of twenty-five (25) and also (i) living at home, (ii) full-time students, or (iii) serving in the U.S. Armed Forces (collectively, “Immediate Family”) shall have privileges equal to those afforded by the Club to the Member (excluding only voting rights and the right to share in liquidation proceeds), subject to these Bylaws and the Club Rules and Regulations. A Member may terminate (or reinstate following termination) the Club privileges of any one or more of the Member’s Immediate Family by written notice, effective seven (7) days following receipt of the notice by the Club. The Board, in its discretion, may allow other relatives to use the Club Facilities with use privileges equivalent to Immediate Family. The Club has the right to require a Member to provide such information and documentation as may be requested by the Club, from time to time, to verify to the satisfaction of Club, the status of any person a Member claims is entitled to use of the Club Facilities through their status as an immediate family member of the applicable Member.

3.8 Extended Family. The Board reserves the right and discretion from time to time, to permit an extended family member of a Member who resides with such Member to use the Club Facilities upon payment of such fees as may be established by Club. The extended family of a Member may include such persons as Club determines, from time to time, in Club’s sole and absolute discretion. The Club may modify or terminate any extended family privileges and establish such rules with respect thereto as it may determine, from time to time, in Club’s sole and absolute discretion. For example, the Club may restrict extended family privileges on holidays and weekends.

ARTICLE 4. Resignation, Reissuance and Refund

4.1 Resignation of Membership. A Member in good standing may resign and transfer his or her Membership only pursuant to the requirements and the procedures set forth in this Article 4. Should a Member desire to resign from the Club, the Member (the “Resigning Member”) shall be required to give written notice to the Club. To be effective, the notice of resignation must be accompanied by payment in full of all current obligations owed to the Club. A resigning member is not responsible for payment of any club assessments that were implemented by the Board within sixty (60) days prior to the date of resignation. No refund is due to Member upon resignation of their Membership. Resignation of a Member is irrevocable, unless otherwise determined by the Club.

4.2 Transfer to Subsequent Purchaser. Equity Members in good standing who resign from the Club upon the sale of his or her property may arrange for the Club to reissue his or her Membership to be reissued in same membership category or a higher category of Equity Membership (as determined based on dues amount) to the subsequent purchaser of his or her property, regardless of whether all of the memberships in that category have been issued. The subsequent purchaser desiring the resigned Membership will be required to submit a Membership Application and Agreement will be subject to the approval of the Club for an Equity Membership without the payment of any additional Membership Contribution and subject only to the payment of the Transfer Fee. The subsequent purchaser must acquire the Membership within thirty (30) days of the real estate closing. The transfer will be subject to the approval of the Club and payment of the then current Membership Contribution determined by the Club from time to time. The resigned Membership will not be subject to any Resigned List.

4.3 Legacy Transfer to Spouse, Significant Other, Adult Child or Adult Grandchild. Equity Members are entitled, on a one-time basis, to transfer their Equity Memberships during their lifetimes to

a Spouse, Significant Other, an adult child or an adult grandchild who is approved by the Club for an Equity Membership without the payment of any additional Membership Contribution, subject only to the payment of the Transfer Fee. The transfer shall not be subject to any wait list. No refund shall be paid to the Equity Member or otherwise in connection with such a transfer. An Equity Membership transferred under this section cannot be transferred again through this provision. For the purposes of calculating number of transfers, the original Equity Membership may be transferred once during the original Equity Member's lifetime or at death to a Spouse, Significant Other, an adult child or an adult grandchild who is approved for Equity Membership, but may not be transferred an additional time.

4.4 *Transfer Upon Death.* Upon the death of an Equity Member, the Equity Membership will be transferred to the Equity Member's surviving Spouse, if any, or to the legatee as heir as determined by the member's will or a court order, subject to Club approval and payment of the applicable Transfer Fee. If the deceased Equity Member is not survived by a Spouse, then the legatee or heir of the membership certificate, if eligible for membership in the Club and approved by the Board, shall have the right to acquire the deceased's Membership without the payment of any additional Membership Contribution. In this event, the legatee or heir of such membership certificate shall be required to notify the Club in writing of his or her desire to acquire the deceased's Membership in the Club. However, the legatee or heir must make application no later than ninety (90) days after acquiring the right to possession of the membership certificate, and pay all debts and assessments for the intervening period between the date of the Equity Member's death and the date of the application, in addition to dues and all other applicable charges. If the legatee or heir does not apply for an Equity Membership within ninety (90) days after acquiring the right to possession of the membership certificate, the Membership shall automatically without further notice by the Club be deemed to be surrendered to the Club and placed at the bottom of the applicable Resigned List, and thereafter, the Club may reissue the Membership, whereupon the Club shall pay the estate of the deceased Equity Member, upon payment of the Membership Contribution in full by the successor Member, the applicable refund amount.

4.5 *Tax Consequences.* The Club makes no representations and expresses no opinions regarding the federal, state or local tax consequences of acquiring a Membership or with respect to any Membership Contributions, dues, fees, charges, assessments or other amounts paid to the Club. All Memberships shall be acquired subject to all applicable tax laws, as the same may be amended from time to time. Accordingly, Members should consult with their own tax advisors with respect to the tax consequences of any Membership Contributions, dues, fees, charges, assessments or other amounts paid to the Club.

4.6 *No Advertising.* A Member's or a Member's agent or assigns use of the internet, texting, websites, magazines, newspapers, posters, billboards and other forms of media, as may be determined by the Board, that are used to communicate a public solicitation of a sale or transfer of their Membership, is strictly prohibited, except for specific references to the sale or transfer of a Membership that may be associated with the sale of property in the Nutcracker Community pursuant to the terms of these Bylaws and the specific language approved by the Board in writing in advance. Such public advertising or solicitation for the sale or transfer of a Membership will result in the disallowance of a transfer or reissuance of such Membership and may result in termination of the Membership and forfeiture of all Membership rights and refund rights and privileges thereunder, as determined in the sole discretion of the Board.

4.7 *Legal Separation or Divorce.* In the event a Member is legally separated or divorced from his or her Spouse, the Membership, including all rights and benefits to the holder thereof, shall remain in the Member's name, unless otherwise determined by court decree or agreement among the parties, subject to Club approval, and in the event the Club does not approve, the Membership shall be deemed resigned. Until a complete copy of the final decree of divorce awarding the Membership is provided to Club, both

spouses will be jointly and severally liable for the prompt payment of all dues and charges incurred and both may continue to enjoy Membership privileges so long as such amounts are timely paid and each comply with the Club Documents.

ARTICLE 5

Fees, Dues, Charges, Assessments, Reserve Fund and Late Fees

5.1 Fees, Dues and Charges. The amount of Membership Contributions, initiation fees, other membership fees, deposits, dues, Transfer Fees and charges for each classification of Membership (including but not limited to, different dues levels for Equity Memberships and Non-Equity Memberships), shall be as periodically established by the Board, at its sole and absolute discretion. The Board's right to establish other membership fees from time to time shall include the right to establish food and beverage minimums or guest fees. The Board shall maintain and publish a current list of dues, fees, charges, Membership Contributions and Transfer Fees (the "Schedule of Dues, Fees and Charges"). All monetary transactions between a Member and the Club shall be charged to the Member's account, except as specifically provided by the Membership Documents and policies as established by the Board from time to time. Membership dues for Members are currently payable monthly for each Membership Year, in advance or on such other basis as determined from time to time by the Board. The failure of any Member to pay the required dues, fees or charges within the prescribed time period shall constitute grounds for the Member's suspension or expulsion from the Club as provided in these Bylaws. Neither individual will be discharged or released from liability for prior dues, fees, other charges and liabilities but may be released from liability for subsequent dues, fees, other charges and liabilities when notice is received by the Club of a Member's desire to be released from such liability, coupled with the resignation of such Member.

5.2 Operating Assessments. All Equity Members shall be subject to operating assessments, in addition to dues, as determined and levied by a majority vote of the Board to fund Operating Deficits. The Board has the authority to operate the Club on an annual balanced operating budget basis and has the power to assess the Equity Members the amount necessary to cover any Operating Deficit as determined by the Board. Notwithstanding anything to the contrary, an annual balanced operating budget includes, but is not limited to: (i) all operating expenses, (ii) debt incurred by the Club, and (iii) payments to the Reserve Fund. Operating assessments shall be prorated among Equity Members based on the amount of dues charged to each Equity Member during the year in which the Operating Deficit occurs. Non-Equity Members shall not be subject to operating assessments.

5.3 Reserve Fund. The Board may establish and maintain a separate reserve fund (the "Reserve Fund") in an amount established by the Board, which shall be funded by either (i) an allocation of the Club's gross revenue, or (ii) a separate reserve charge to be paid by the Members. The Reserve Fund shall be utilized for expenditures for repairs and replacements to the Club Facilities, as determined by the Board to be in the best interests of the Club and its Members. However, to the extent the funds in the Reserve Fund are not sufficient for repairs or replacements to the Club Facilities that result from acts of God, natural disasters, weather, fires, pestilence, requirements imposed by governmental authorities, and any events beyond the reasonable control of Club ("Extraordinary Repairs or Replacements"), the Board is authorized to assess the Equity Members without a vote of the Members, as provided in Section 5.4, the necessary amount to cover the deficit for the required Extraordinary Repairs or Replacements. Non-Equity Members shall not be subject to an assessment for Extraordinary Repairs or Replacements.

5.4 Capital Assessments. A capital assessment requires a vote of the Equity Members unless it is an assessment required to pay for Extraordinary Repairs or Replacements. As set forth in Section 11.1 of these Bylaws, capital assessments that are not for Extraordinary Repairs or Replacements shall require the vote of either (i) a majority of the Equity Members that constitute a quorum or (ii) a majority of all outstanding Equity Members entitled to vote if the capital assessment constitutes a Major Decision. Each

assessment shall be apportioned among the issued Equity Memberships in accordance with the terms set forth below. Non-Equity Members shall not be subject to a capital assessment. Any assessment for capital expenditures which must be voted on by the Equity Members shall be paid as follows:

5.4.1 Assessments for capital expenditures to the golf facilities (i.e., the golf course, golf practice facilities and golf maintenance facility) shall be voted on by and prorated among all of the Equity Golf Members.

5.4.2 Assessments for capital expenditures to the social facilities, clubhouse, swimming, fitness, tennis and other facilities, except golf facilities, shall be voted on by and prorated equally among all Golf Members.

5.5 *Payment Terms.* All fees, dues, charges, assessments and Membership Contributions (if financed) are due and payable immediately on receipt of billing pursuant to the payment methods set forth in the Rules and Regulations. The Board shall have the authority to determine whether to finance Membership Contributions and the terms of any such financing. Any Member who fails to pay the statement of account on or before the close of business on the 30th day of the following month shall be considered delinquent.

5.6 *Late-Fee Charges.* A late-fee charge of one and one-half percent (1.5%) per month of the late amount may be levied by the Club for each month or portion thereof that the account remains delinquent.

5.7 *Facilities Unavailable.* Even though certain Club Facilities may be unavailable for Member's use due to renovation, capital improvements, fire, hurricane, casualty or other similar occurrence beyond the Club's control, the Members will continue to be liable for the timely payment of all dues, fees, charges and assessments.

5.8 *Other Charges.* The Board shall have the power to establish fines or other appropriate charges for infractions of these Bylaws and the Rules and Regulations.

5.9 *Account Charges.* The Club shall render a statement of account to each Member following the last day of each month. If mailed, the statement of account shall be deemed received by the Member three (3) days after the mailing date. If the Member has provided email contact information, the statement will be sent via email and deemed received on the same day.

ARTICLE 6.

Suspension, Expulsion and Collection

6.1 *Suspension or Expulsion.* Any Member (including the Member's Immediate Family or Significant Other) may be suspended by the Board as provided below for non-payment of dues, fees, charges and/or assessments to the Club for over sixty (60) days, at the sole discretion of the Board, or be expelled by the Board for non-payment of dues, fees, charges and/or assessments to the Club for over one hundred and twenty (120) days. No hearing is required for any non-payment action taken by the Club; however, the Member shall be provided (i) not less than fifteen (15) days written notice of the suspension, expulsion or termination (the "Written Notice") and (ii) the opportunity to respond in writing not less than five (5) days prior to the effective date of the suspension, expulsion or termination. For any other Cause, a Member (including the Member's Immediate Family, Significant Other or guest) may be expelled or suspended or other appropriate action may be taken (including, but not limited to, fines or reprimands), as follows: (i) after hearing by the Board pursuant to Section 6.3 or (ii) an immediate temporary suspension may be issued by the Board due to a Material Liability Act, as defined below, by a Member subject to the

requirements to have a hearing within twenty-one (21) days of the suspension pursuant to Section 6.3. Member may appeal rulings as provided in Section 6.4. The rulings by the Board may be confirmed, rescinded or modified by a vote of a majority of the Board. Notwithstanding anything to the contrary, at the Board's option the Member's Membership, including any right to be placed on or remain on the Resigned List, may be terminated, and the Member's refund rights shall be rendered null and void, if a nonpayment of dues, fees, charges and/or assessments continues for one hundred and twenty (120) days after the due date.

6.2 "Cause" and "Material Liability Act" Defined. The General Manager shall serve on the Nominating Committee in an advisory and non-voting capacity. The Nominating Committee shall be appointed by the Board not less than sixty (60) days prior to each election to serve a term of generally one (1) year or until their successors are appointed, and such appointment shall be announced at each such election. The Nominating Committee shall make nominations in no event less than the number of positions to be filled. In making its nominations, the Nominating Committee shall use reasonable efforts to nominate candidates representing the expertise, experience and diversity that exist within the pool of potential candidates. All nominees must be dues paying and in good standing Members of the Club for at least three (3) years. One third (1/3) of the Members entitled to vote, whether in attendance, in person, by proxy, absentee ballot or by electronic or internet voting pursuant to procedures established by the Board, shall constitute a quorum (“Quorum”), except for meetings where Major Decisions are made. If the required quorum provided above is present for the vote issue, the affirmative vote of a majority of votes cast at the meeting in person, by proxy, absentee ballot or by

electronic or internet voting pursuant to procedures established by the Board and entitled to vote on the subject matter shall be the act of the Club. For Major Decisions, the vote of a majority of the outstanding votes of all the Members entitled to vote, whether in attendance, in person, by proxy, absentee ballot, or by electronic or internet voting pursuant to procedures established by the Board, is required. For Facility Sale Decisions, the vote of seventy-five percent (75%) of the outstanding votes of all the Members entitled to vote, whether in attendance, in person, by proxy, absentee ballot, or by electronic or internet voting pursuant to procedures established by the Board, is required. Each voting Member shall have voting privileges as set forth in Section 11.6. Notwithstanding the above, any proposed amendment to these Bylaws shall be governed by the provisions of Article 14.

Special meetings of Club Members may be called by the President or majority of the Board upon giving written notice to the Members, and such notice shall specify the purpose of the meeting and no other business may be conducted at the meeting. Further, the Board shall call a special meeting of the Membership upon written request of at least twenty-five percent (25%) of all the Members entitled to vote. Upon receipt of the notice from the referenced number of Members, the President shall call the special meeting within thirty (30) days after receipt of the written notice and the Members shall have not less than seventy-two (72) hours advance notice of the special meeting. The quorum required for an action taken at a special meeting shall be the same as the Quorum required at an Annual Meeting.

11.3 Election of Board Members. At each Annual Meeting, the Board members whose term has expired shall be elected pursuant to the provisions in these Bylaws. In addition, any Board vacancies for which an unexpired term remains shall be filled by election.

11.4 Elections/Voting. There will be no cumulative voting and no preemptive rights. Voting will either be in person, by proxy or by absentee ballot. In the event of a proxy or absentee ballot received via email, the Secretary shall determine vote validity. The number of candidates necessary to fill the vacancies on the Board receiving the highest number of votes at the Annual Meeting of the Members for each designated term shall be declared elected.

11.5 Absentee Ballots. Members in good standing and eligible to vote who are unable to attend a meeting of the Membership shall be allowed to vote by absentee ballot. Unless delivered electronically, the number of the ballot shall be written on the ballot and on the return envelope and the name of the Member and the number of the ballot sent shall be registered in an absentee ballot register. Absentee ballots shall be retained until after the validation of the election by the Secretary of the Board. Absentee ballots shall be returned to the Club in the sealed and numbered return envelope provided or emailed pursuant to procedures established by the Board, no later than the close of business on the day prior to the scheduled meeting date. The General Manager shall be responsible for safeguarding

absentee ballots until the Membership meeting and shall deliver them to the election judges at the Membership meeting.

11.6 Voting Privileges. Each Equity Membership that is in good standing entitles the Equity Member to vote on various Club matters as set forth in these Bylaws, including the election of the Board. On all matters to be voted upon by the Members of the Club, only Equity Members are entitled to vote. If a Membership is jointly owned by both spouses, either spouse may cast all of the votes associated with such Membership on any matter upon which Members vote. The total number of votes associated with the Membership cannot be split between the two spouses. The Club is not entitled to vote the Memberships that they hold for sale on matters submitted to the vote of the Members.

11.7 Conduct of Meetings. The conduct of all Membership meetings shall be guided by Roberts Rules of Order except as they may conflict with these Bylaws, in which case these Bylaws shall prevail.

11.8 Action Without Meeting. Action may be taken by the Members of the Club only at a properly called and noticed annual or special meeting of the Members. Action may not be taken by the written consent of the Members in lieu of such annual or special meeting. Notwithstanding the foregoing, in the event the Board desires to poll the Membership on a matter that does not require a vote of the membership, such poll may be done by mail provided that the polling materials set forth in reasonable detail the subject of the poll.

A Member or Board member, either before or after a meeting, may waive notice of any meeting, and such waiver shall be deemed the equivalent of giving notice. Attendance in person by a voting Member at a meeting, providing an absentee ballot, or electronic or internet voting pursuant to procedures established by the Board shall constitute waiver of notice of the meeting, unless he or she attends for the express purpose of objecting to the notice.

12.2 Record Date. For the purpose of determining the Members entitled to notice of or to vote at any meeting of the Members, or in order to make a determination of the Members for any other proper purpose, the Board of the Club may fix in advance a date as the record date for any such determination of the Members, as follows: (a) the record date for notices shall be no more than sixty (60) days and not less than ten (10) days, before the date of such meeting. If no record date is fixed by the Board, the business day before the date on which notice of the meeting is mailed shall be the record date for such determination of the Members. ARTICLE 18. Arbitration of Disputes

18.1 Disputes. Each and every dispute, claim or other matter of disagreement between the Club, its officers, directors, or affiliates on one hand and any Member or applicant for membership on other hand relating to or arising out of the Bylaws or Rules and Regulations or any transaction contemplated by the Bylaws or Rules and Regulations, shall only be decided by mediation, and if necessary, arbitration in accordance with the Texas Arbitration Code, and no right shall exist to have any such dispute litigated in a court or by jury trial; provided, however, that the Club shall have the right to collect, through a court proceeding, any Club account or other amount owing as a result of the Members' loss or destruction of the Club's property or injury caused to any party. In the event there is any such dispute, the same shall be resolved in the following manner:

18.2 Mediation. Within ten (10) days after the receipt of notice of a dispute, by one party from the other, the parties shall attempt in good faith to negotiate for a period of thirty (30) days in an effort to resolve the dispute. If the parties are unable to resolve the dispute within such thirty-day period, they shall retain a mutually acceptable mediator (i.e., a partner or principal of an accounting, consulting, legal or engineering firm with experience in the country club industry) to assist them in resolving the dispute within ten (10) additional days, failing which they shall each retain a mediator within ten (10) additional days and the two mediators thus chosen shall together act as the mediator for the purpose of this paragraph. If either party shall fail to appoint a mediator as required hereunder, the mediator appointed by the other party shall be the sole mediator. Within thirty (30) days after the mediators (or such single mediator) have been retained, the mediators (or such single mediator) shall, on a non-binding basis, advise the parties in writing of their views. The fees and expenses of the mediators (or such single mediator) shall be borne equally. If the parties are still unable to resolve the dispute within such thirty-day period, the parties shall resort to the arbitration procedures set forth below.

18.3 Arbitration. Either party may submit the matter to binding arbitration. In any such arbitration the parties agree that there shall be only one arbitrator that such arbitrator will be selected by the Club with the only limitations on such selection being that such arbitrator must be qualified by experience, education or training in country club operations. The arbitrator shall be selected by the Club within ten (10) days after the arbitration provision is invoked. The arbitration proceeding shall be held in Hood County, Texas and shall be governed by the commercial arbitration rules of the American Arbitration Association then in force, except as otherwise provided herein.

Each party shall submit a proposal setting forth its resolution of the issue(s) submitted to arbitration within ten days after notice of selection of the arbitrator. The decision of the arbitrator, where appropriate, shall take into account the operation of the Club Facilities in comparison to the operation of other similar clubs in Texas. The arbitrator shall investigate the facts and shall hold hearings at which the parties may present evidence and arguments, be represented by counsel and conduct cross-examination. The arbitrator shall render a written decision upon the matter presented within thirty (30) days after the date upon which the last party submitted its proposal to the arbitrator, and such decision shall be final and conclusive upon all parties. Judgment upon the award rendered in such arbitration may be entered by any court having jurisdiction thereof, and the judgment shall be entered unless the award is vacated, modified or corrected as provided by law.

The parties shall advance on an equal basis any necessary costs of the arbitration, such as reporter's fees and arbitrator's fees. The prevailing party shall be entitled to recover as part of the award all such advanced costs and reasonable attorneys' fees and related costs, fees or expenses of the arbitration. In the event of any dispute over any such fees and costs, each party may apply to the arbitrator within thirty (30) days of the decision on the merits for a determination of an award of fees, costs and expenses. The arbitrator shall enter an award on such application within thirty (30) days from its receipt, without a hearing, but with consideration of any factual materials or brief submitted by the parties, and such award shall be paid within thirty (30) days from the date of such award. Any time period set by this paragraph may be shortened or extended by the mutual agreement of the parties to the arbitration.

If any court or arbitrator shall find any provision of this Article to be in violation of or in contradiction to the Texas Arbitration Code, the parties agree such provision or provisions shall be void, but all other provisions of this Article shall remain in effect. Should any Member bring suit against the Club or others in contravention of this arbitration mandate, all costs and expenses incurred by the Club or others in the defense of such suit, including court costs, attorneys' fees and other costs, including para-professional fees and travel costs through all trial and appellate proceedings, shall be recoverable as part of the arbitration award.

Judgment upon the award rendered in such arbitration shall be entered by any court having jurisdiction thereof, and the judgment shall be entered unless the award is vacated, modified or corrected as provided by law.
