

Breezes from the Lea: Lady Captain's Special Edition 2015

Forty nine ladies played on lady Captain's day, Friday 26th June. After a wet start, the weather was kinder to the later players but everyone rose to the challenge and enjoyed their golf. The course was in great order and many thanks to Stuart and staff for that.

Refreshments at the 10th tee kept some going while others preferred to wait for a celebration drink after the 18th! A hearty lunch again prepared by the ladies Committee followed before the ladies repaired home to get ready for the evening events. Many thanks to all the Carnalea staff who helped to make the day run so smoothly.

In the evening over seventy ladies enjoyed a beautiful meal and much thanks are due to Martin and all the catering and the bar staff for their high quality service. The Lady Captain's speech went down well with lots of laughs and after the excitement of the prize giving everyone enjoyed the dancing to a great variety of music provided by Jim Burnside. Many thanks again Jim.

Most important of all the results! Congratulations to our worthy winner Jane Watson and runner up Isobel Colhoun. To Section A winner Gillian Dixon and Section B winner Pauline Beatty. To Michelle Holland for best gross and Alexis Graham for the nine hole competition.

Lady Captain's events on 25th June

On the 25th a very successful coffee morning was held in the Ailsa Craig suite. Over seventy ladies attended including most of the Lady Captains and Vice Captains from our North Down Clubs.

Ladies committee did a fantastic job in preparing and serving the scones and tray bakes which were really enjoyed by all. Pam Hunter the Chief Executive of Nexus NI [the Lady Captain's charity] gave a short, informative and moving talk about the work of Nexus with victims of sexual violence. Visitors and our own ladies gave very generously to the charity and the morning raised over £600.
