

WELCOME TO THE LANDINGS

The Landings Golf Course and Teaching Centre is Kingston's best public golf facility. The Landings Golf Course and Teaching Centre is located at Norman Rogers Airport, on the north side of Front Road (King Street West), at the corner of Bayridge Drive.

We boast Kingston's premier teaching academy, a beautiful practice facility (which includes the largest grass tee deck in the area, and a perfect putting green), a putting green adjacent to the clubhouse, and a well-manicured 18-hole golf course designed for all levels of golfing ability. Combine a great facility with first class service and excellent programming, and you have Kingston's finest public golf experience.
