Dear Tournament Chairman,

Our professional staff prides itself on hosting corporate, company and charity golf tournaments. If you are a first-time customer or have held a tournament at Apple Valley Golf Course in the past, please give us the opportunity to host your important golf outing in 2015.

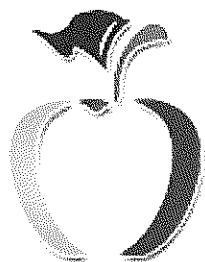

Our expertise in hosting outside tournaments, along with our championship golf course, makes for an exciting and rewarding day of golf. This year we are offering tournament packages which are shown on the next page. Hopefully one of these options will fit your tournament expectations. Please be aware that if one of these does not meet your requirements, we will try our best to accommodate your tournament needs.

Please carefully read and sign the Golf Tournament Contract, make a copy for your records and return the original to Apple Valley Golf Course along with your deposit to secure your date for your great event.

Enclosed you will find a tournament agreement as well as general information on the food and beverage and tournament packages. Please call if you have any additional questions.

Thank you,

Gary Matteson / PGA Head Golf Professional
