Being a veteran, the recent vandalism at the Walk of Heroes at the Randy Poynter Lake really hit me hard. Actually, it was sickening.

The Memorial foster's a common understanding of the sacrifices and uncommon dedication of veterans and their families. Also, it will forever impress upon each visitor that war is a horrific event and only a nation united can end tyranny and injustice.

This horrific act was an act against our nation, our veterans, and all the people that work so hard to bring this Memorial to fruition.

My goal is to help raise the funds needed to get this Memorial back to its original state, and show these vandals that we are united and our resolve will always win.
