From the Golf Course Superintendent:

As we move toward a new season of golf, to me it's a new season for our season pass holders / members at BHGC. Open doors for conversations, different thoughts on playability, and still the desire for all to enjoy our special course!

Challenges may occur but, we will all work through them!

Join me in recruiting new golfers!

From the Golf Professional:

Our SNAG equipment has finally arrived which means we can now take golf to the schools! We couldn't be more excited to share this great sport with our local juniors. For many juniors, this will be the first time they will have held a club in their hand and our hope is they will consider golf not only as a pastime, but as a life style.

A sincere thank you once again to everyone who made this possible by donating to our junior fund!
