From the Golf Course Superintendent:

The planning season is upon us!

Having the opportunity to work closely with Casey on the calendar of events and planning our maintenance around specific dates has been really good!

The opportunities to discuss course improvement projects with him and get his thoughts and feedback have given us some great times to get to know each other some too! Looking forward to what the both of us want to bring and give to BHGC!

Have a great week!

Got Grips?

From the Golf Professional:

If you are in need of new grips feel free to drop your clubs off anytime this winter. We still have a good selection of Winn and Golf Pride grips we can choose from.

If you have more shopping to do the shop is still open Tuesday – Friday until 3:00. Plenty to choose from there as well.

Enjoy the snow!
