

Spring has arrived!

Buffalo Hill Golf Club

We're hopeful to have the range open as early as this weekend!

From the General Manager:

Good morning!

Spring is in the air and opening the golf course isn't far away. We're very hopeful and excited to open the range - as early as this coming weekend, but with snow still in the landing and teeing area, concern is for turf conditions (saturated and standing water) and ball picking. You can be sure of one thing; we'll do whatever we can to open the range and Cameron 9 ASAP!

Be sure to check the [BHGC website](#) for updates.

Looking forward to seeing you!

From the Golf Course Superintendent:

It's melting!

We will be starting to get the covers off the Champ greens this week. There is still some snow on them so it will slow the process of removal a little.

We are also monitoring the range in hopes of some spring practice. We have some puddles still on the tee and we don't want to rut up the range with the picker and cart. I'm hopeful for this coming weekend.
