

Champ 18 opens Friday!

Buffalo Hill Golf Club

Cameron 9 and Driving Range are open for the season!

From the General Manager:

Good morning!

If you haven't heard through the grape vine, we are thrilled to announce that the Championship 18 will open on Friday, April 19! Time to enjoy BHGC with your friends and family.

We're getting ready for the Hall of Fame Ceremony on April 24, starting at 6:00. The annual meeting will follow at 7:00. Be sure to check out the [proposed by-law changes](#) in advance of the meeting.

The KGA Board is asking for the membership to ratify the proposed changes. [Click here for explanations for changes.](#)

Interested in serving as a KGA Board of Director? Attend the meeting on April 24 and submit your name for consideration, or nominate another qualified candidate at the meeting. For more information, please feel free to call Tessa in the main office for details.

Thank you for your cooperation with refraining from taking carts on the range. The Greens Committee and Superintendent Mike Combs have a "best practices" plan of action to restore turf density and improve your experience on the range.

Welcome back everybody!

Steve Dunfee steved@golfbuffalohill.com

From the Golf Course Superintendent:

I'm hopeful for as much fun golfing this year as we just watched at Augusta!

The crew is working hard to get the course cleaned up. The opening day awaits on Friday!

I wish I could say our greens came through the winter in good shape, but unfortunately, we suffered a very severe cold snap late winter resulting in ice damage and other winter related issues. I'll explain and answer questions at the annual meeting.

POA doesn't like being under ice for more than 30 days. And as for the covers? I understand that past KGA Boards and management have debated the effectiveness of the covers for years. Well, the debate this fall will likely result in a recommendation that they not be used again. There's as much proof that they CAUSE damage as there is that they PREVENT damage.

The chilly temperatures are keeping things from healing quicker than what we would like. Soil temperatures need to rise before healing/growth begins. There are signs that are keeping us

optimistic as we do see signs of growth in the damaged areas. We will keep our fingers crossed that any plugging, sodding, or seeding is minimal.

Thank you for your patience.

Mike Combs mikec@golfbuffalohill.com

New Apparel Arriving Daily!

From the Golf Professional:

Congrats to Chase Harland and Clark Dutton! Chase is the winner in our Masters pool on Facebook. With a combined total of 35 under par he will receive two complimentary rounds on our Cameron 9!

Clark Dutton will receive a free lunch after winning our "opening day" pool. He correctly guessed April 10th as our opening date. Nicely done!

PGA Junior League: Registration is full and we are excited to get started next month. The schedule is out and teams will be selected this week!

Junior Buffs Summer Camp: Registration is now available for our instructional junior camp this summer. Please call the golf shop or grab a brochure if you have any questions. It's going to be a great summer with the kids. We will have the information up on our website by Tuesday.

Junior Scholarships: We are still taking applications for junior golf and range scholarships. Follow this link to find the form on our website, or stop by the golf shop to pick one up. <https://www.golfbuffalohill.com/events/miscellaneous-forms-schedules/>.
