## Golf Course Superintendent:

**Try Again:** The rain last week made it impossible to spray weeds during our window of opportunity, so we will try again, but not until next week during our maintenance delay.

**Crud:** As usual, and in spite of all our attempts to prevent it, the greens have the orange circles again – a turf disease. We continue to look for solutions.

**Yadda:** Pulling weeds from the bunkers, spraying tree bases, bunker face work, tree trimming all remain on our list of things to do.

Jon Heselwood - Golf Course Superintendent
