

The BHGC patio project is starting this week, which means that we need to work fast to reach out to our community and membership for paver engraving! Don't delay, get your paver today! We have three weeks to get reach our \$50,000 goal! Learn more and view a power point presentation at www.golfbuffalohill.com.

This is a very important project - we want to celebrate and honor the entire community who have helped make BHGC what it is today.

Hey, have you seen the calendar! We have a very busy summer of fun and events planned! Check it out and bookmark it!

From the Superintendent:

Down: We have begun to lower the greens mowers. We would like to topdress the greens to smooth them out, but sand deliveries are problematic.

Patio: We hope to begin this week. First up is to move irrigation and build the new cart path.

On Hold: We are going to focus on the patio now. So the weed spraying is on hold. We will also do the minimum tree base spraying. And we will probably limit rolling the greens because our time needs to be spent pushing the patio forward.
