FORMAT: **2 man teams** **All Play will be on Canthooke Valley**
4-ball (Better ball of 2)

FIRST MATCH: Begins July 1st

TOTAL TEAMS:
Limited to first 16 teams to sign up

SEEDING OF PLAYERS

The defending champions will be the #1 seed.
All other players will be seeded by blind draw.

HANDICAPS

Current USGA White Tee handicaps will be used. Not trend.

Low player in the match will play at scratch with the other 3 player's handicaps adjusting down accordingly.

**Players whose age plus handicap equals 85 or above will be eligible to play Gold Tees, if they choose. In this case the player will receive his Gold Tee handicap less 4 strokes (per USGA rules)*

USGA MATCH PLAY RULES APPLY.

The golf course has been marked for Hazards and Out of Bounds. It is not uncommon for questions on markings or rulings to come up during or after a match. Please contact the tournament staff if questions arise. During play if an answer cannot be determined at the time, play two balls and clarify a ruling following the round.

Matches that end “All Square” will continue in “sudden death” on #1 with strokes falling on the same holes as regulation.

BRACKETS AND TIME LINE

One match will be played every three weeks.

[See Timeline on pairings sheet for deadlines of matches](#)

If both teams agree, a match may be played early using handicap in effect at the time.

The Golf Shop will mark the scorecard before playing. Please see Denis, or Doug for this.

Committee retains the right to decide winners of un-played matches.

Matches that are determined to be falling behind on the schedule will be decided by a coin toss
