RALPH BREAKS THE INTERNET

Saturday, April 13 ■ 6:30-9 p.m.

*\$15⁺⁺ Ages 4-up

From Walt Disney Animation Studios comes the action-packed adventure *Ralph Breaks the Internet*. Ralph and fellow misfit Vanellope risk it all by traveling to the world wide web in search of a part to save her game, Sugar Rush. They're in way over their heads, so they must rely on the citizens of the internet—including Yesss, the head algorithm and heart and soul of the trend-making site BuzzTube,

and Shank, a tough-as-nails driver from the gritty online auto-racing game Slaughter Race—to help them navigate their way.

Join us in the Amenities Center Gymnasium for our Kids Movie Night!

Pizza, cookies and drinks will be served at 6:30 p.m. prior to the movie beginning at 7 p.m. Kids are allowed to bring sleeping bags, pillows, blankets and stuffed animals to help make them comfortable during the movie. Electronic devices (cell phones for parental contact are ok), toys, or anything else of this nature are not allowed as they can cause commotion and are a distraction. Thank you for your cooperation.

*\$15⁺⁺ for the first child, \$10⁺⁺ for each additional child.

Reservations required. Contact Jon at jramler@cobblestonesc.com by April 11.

Let Cobblestone Park Take Care of Your Lawn

With spring just around the corner, we wanted to remind you that we are proud to offer our residents in Cobblestone Park landscape and lawn maintenance. We have a great program similar to the golf course that many of your neighbors take part in that includes mowing, edging, weed eating and blowing every week. A spring and fall pre-emergent fertilizer, trimming bushes as needed, and an irrigation audit of your system every spring to make sure clock and rotors are working correctly all for a very reasonable monthly price.

We can also put out fresh pine straw, seasonal flowers and perform irrigation repair for an additional charge. Let us help you to have one of the better landscapes in the neighborhood. If you are interested in our services and would like to talk to us more, please give either one of us a call or send us an email.

Golf Tip

Practice Like You Play!

To often when amateurs practice, they tend to hit balls rapid fire without taking the time to visualize, align themselves and make quality swings. By practicing with a purpose and using your time effectively your sessions will be filled with better golf shots, as well as not creating any bad habits. —**Mike Burroughs**, Director of Golf
