Golf Tip of the Month

First, Gary Player, one of the greatest players of all time, said, ***"The more I practice the luckier I get."*** Second, Dr. Bob Rottela, the leading golf sports psychologist, said, ***"Practice does not make perfect, practice makes permanent!"***

Gary Player had already built a great foundation when he made this statement. Dr. Rotella was re-affirming that whatever you practice will be permanent. Make sure you have that good foundation before you ingrain something less than desirable.

Practice!
Practice!
