

About Us...

Our 18-hole, par 72 course opened for play in July, 2007. The 351 acre, John Cook-designed course measures 7,531 yards from the championship tees, making it one of the longest in Ohio, but five sets of tees on every hole make it an enjoyable and challenging course for any skill level. The course features 40 sand traps, 21 ponds, 3 creeks and extensive wetland areas which preserve its natural beauty.

The 18,000 square foot clubhouse includes a Golf Shop, Dining Room, Club Room, Founders Room and an outside patio area with a tournament scoreboard and halfway house. A pool and tennis complex were added in 2009.

The NorthStar Golf Club is the centerpiece of the Robert Weiler Companies' 2,000 acre mixed-use development project in the NorthStar Community.
