

Monthly News Letter

~ February 2016 ~

1928 Hygeia Road
Greenbrier, TN 37073

No Dues Increase for 2016 ~ The membership approved the 2015 Dues Schedule carrying over into the 2016 season.

Single Golfer	\$1,440	\$120/Month
Two + (Family)	\$1,740	\$145/Month
Junior Single Golfer (35 and Younger)	\$1,056	\$88/Month
Junior Two + (Family) (35 and Younger)	\$1,320	\$110/Month

Member Cart and Rider Fees ~ For Members that do not know a cart there is no available the monthly cart fee which allows you to play as much or as little as you want without paying each time you come. The Price is \$60 for a single member or \$80 for a two plus family.

If you are a member without your own cart that usually rides in another members cart then you have the option to pay the monthly rider fee of \$25 dollars or you can pay the daily \$5 fee for 9 or 18 holes or the \$10 all day rider fee. Any member using another members cart, with their permission, still needs to pay the rider fee daily or monthly. Please tell the golf shop staff which way you want to pay.

Status on New Greens ~ The grow-in for the new greens has made good progress this winter and the temp greens continue to fill the need of having a complete 18 holes to play. Additionally, the fairways have all been sprayed to kill all the other weeds and grasses that we do not want to have growing in them. We plan to see continued improvement this season.

Golf Shop Renovation ~ The golf shop renovation is underway. We are hoping to be back in the golf shop before the end of the month. Things are progressing nicely and the finished product should be something that all members can be proud to invite family and guest out to see.

Note from the General Manager ~ As we continue into the 2016 season I want to thank all the members that continue to support the club. We continue to have great support for what the board is doing to move the club in a positive direction. There are many great things on the horizon for the club this year. Finishing the front nine renovation with changes to holes #7 and #8, getting new hole marker signs for the front nine, a new pro shop for the clubhouse and much more.

Brent D. Edmister, PGA ~ General Manager
