Oak Hills Membership,

As we close out the 2016 season we want to thank all of our members old and new for their support of the club this past season. If it had not been for the support of our long time members supporting the club through the assessments and changes we would not be in the position that we are now moving into the 2017 season. Thank you again for your steadfast support of Oak Hills Golf Course and helping to achieve our best financial position in many years.

As a result of the vote at last night's Annual Members Meeting there will be a \$15/month increase to all members' dues. This new dues structure will take effect with the February billing cycle. Any of our annual members that wish to pay for the year in full have until the February billing cycle to be paid in full for the year. If you could have this done by the 30th of January it would help clean up the billing process. Our membership offerings are too many to list here but the basic rate for a Single Golfer w/Cart is \$195 per month and a family is \$240. Rate sheet for all the membership types are in the golf shop.

The board has decided to do away with the guest rates, that we had the last two years. Now guest will pay the appropriate daily dues rate by age and time of the day.

Annual Members Meeting

As mentioned above the Annual Members meeting was held January 10th starting at 6 pm. We had a review of the clubs year and presented the first budget in many years. The \$15/month dues increase was approved by 31 of the 36 memberships represented. Two board members were elected for the positions opening this year. There were four candidates for the two positions; Bob Walker, Dave Scottorn, Eddie Moran and Chris Davis. Bob Walker was reelected to the board and Eddie Moran received one more vote than Chris Davis to fill the second position.

We are heading into 2017 with the first Budget in many years. This projected budget will

give us a better idea of where we can spend money and enable us to better track how we are doing.

Things Planned for 2017

- Continue Work Started on Tee Box Renovations – *Planned for next couple months*
- Get all the native grass areas mowed down – *On Going since November*
- Get the woods near #5 Tee Box Cleared out for better visibility - *Planned for next couple months*
- Getting the pool area demoed and filled in so the fence can come down – *Get demoed by late spring*
- Fairway Aerification – *Planned for May-June*
- Extending of Hole #4 – *Plan to do irrigation by early summer (Not Budgeted at this time)*

Annual Members Meeting

The first Nashville Golf Show will be held at the convention center January 20th thru 22nd. Oak hills will have a booth at this show along with several of our closest competitors. We will be offering free rounds of golf to ticket holders as well as membership information and daily dues rates. Any member interested in coming down to the show for a few hours and represent the club will work with Brent in promoting the club. Contact him if you are interested in signing up to help.
