**Note from the General Manager** ~ I want to start this letter with a disclaimer. I am the one currently doing the bookkeeping for the club until our new accounting firm, Wade CPA, takes over the operation in December. I tell you this so that you will check your statements closely to make sure that I have billed you correctly.

All members should see the \$650 assessment on this month's statement. We are asking you to pay this amount as soon as you can with the balance due by the end of February. Please indicate with your monthly payment how much you are paying on the assessment.

As of this letter we have 42 Members that have indicated their continued support of the club with this assessment. We are still hoping to reach our goal of 71. Please contact the golf shop or e-mail your intent to continue your support of the club.
