

WE WOULD LIKE TO INTRODUCE OUR CORPORATE ADVERTISING PROGRAM FOR 2017 GOLF SEASON

The Hole Sign Advertising enhances the quality of the hole, displaying information in a much more professional fashion, commonly praised by golfers. The club includes the Sponsor's logo on the Display Screen in Pro Shop and on the Web site.

Based on the number of rounds that take place annually, a client's investment falls well within the media guidelines of being a very good cost effective way to advertise your business. The sign is **viewed several times** while waiting to tee off.
